

Workshop #14 Summary

When: June 23-25, 2005

Where: National Archives of the Netherlands, The Hague, The Netherlands

Attendees: Bart Ballaux, Martine Cardin, Luciana Duranti, Terry Eastwood, Philip Eppard, Kevin Glick, Yvette Hackett, Babak Hamidzadeh, Ken Hawkins, Hans Hofman, Sally Hubbard, Greg Kozak, Brent Lee, Bonnie Mak, Sue McKemmish, Evelyn McLellan, Jean-Pascal Morghese, Andrew Rodger, Malcolm Todd, Bill Underwood

Workshop Objectives:

Summary:

The Chairs of the Focuses, Domains and Cross-domains presented progress reports.

Focus 1, 2 and 3 each presented the status of the case studies.

The Records Management Software Study, which looked at baseline and benchmark requirements for software was presented. The feasibility of the study was discussed.

The status of the MUSTICA case study was presented.

InterPARES will collaborate with the Daniel Langlois Foundation.

UNESCO will provide support to disseminate InterPARES work to Spanish and Portuguese speaking archivists.

There was a brainstorming session to determine the template design for Domain 3.

Next Workshop: Chicago, United States, September 19-23, 2005.
