We also wish to thank the faculty of The School of Library, Archival and Information Studies for their support of this project, particularly:

Dr. Ann Curry, our faculty supervisor
Dr. Ken Haycock, Director of SLAIS
Professor Lynne Lighthall – who provided guidance for the refereeing process
Dr. Richard Hopkins – who assisted us in our communications effort

The organizers of From Papyrus to Paperless are two graduating MLIS students at the School of Library, Archival, and Information Studies (UBC): [Deborah Hutchison](#) and [Bronwen Sprout](#). We initiated this project in an effort to support collegiality and dissemination of student research, and are gratified by the immense support we have received from the academic and professional communities, and from our colleagues at The University of British Columbia, The University of Washington, and The University of Alberta.
